

DRAFTING

The website!

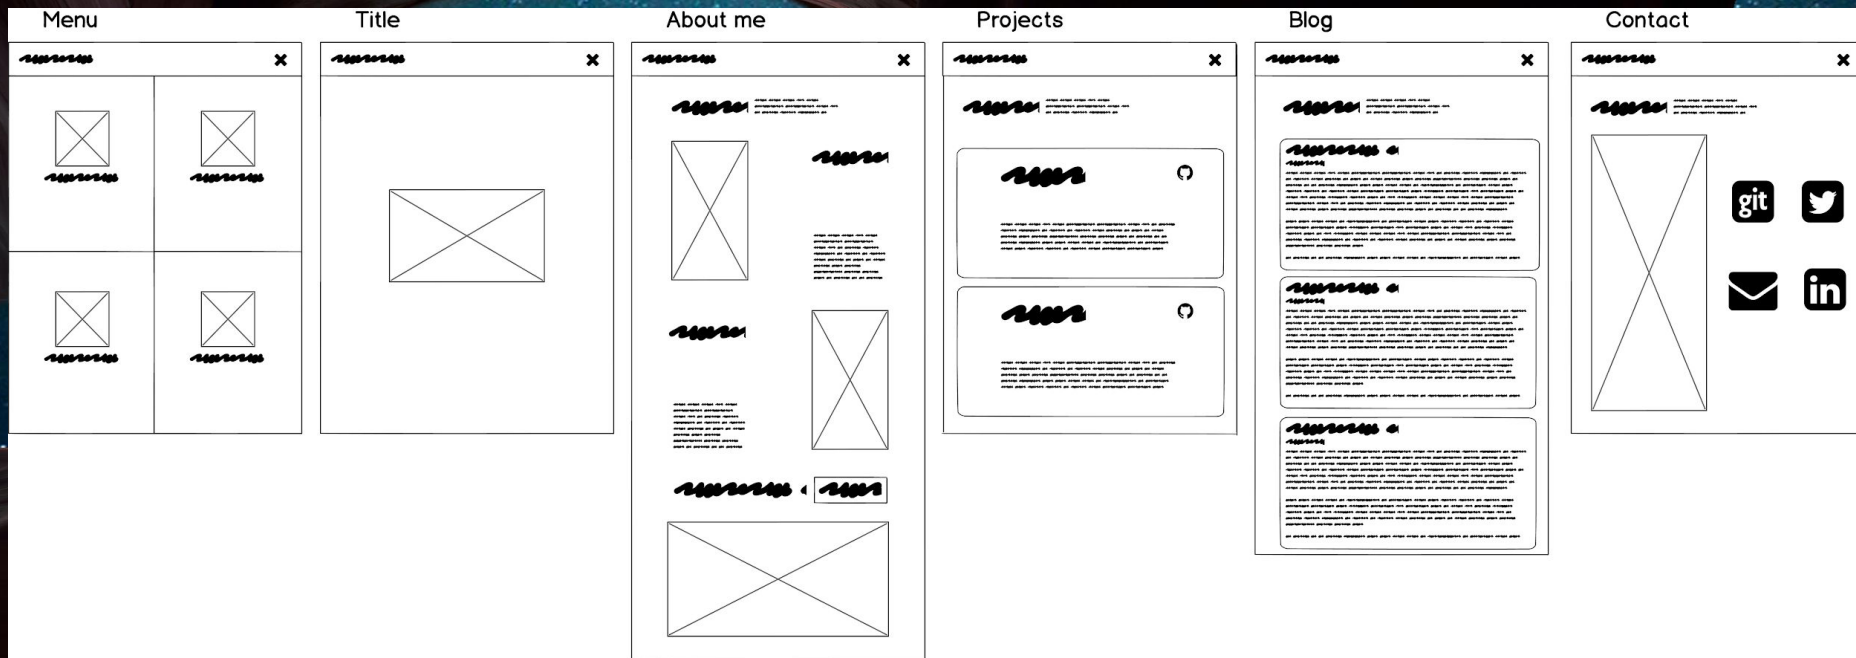

The plan

- Stripped back design
- Strong theme
- Centralised design
- Easy navigation
- Pixel art, obviously

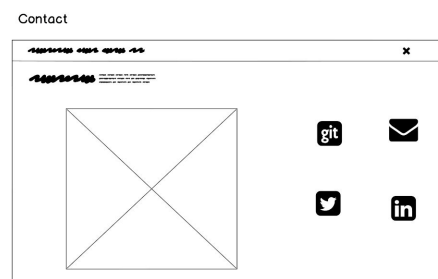

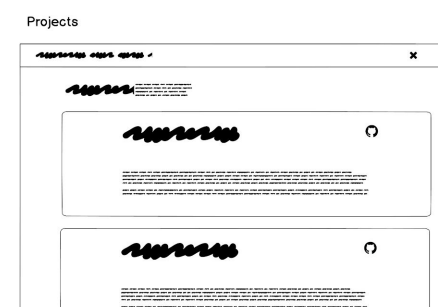

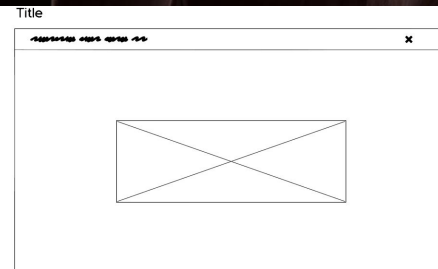

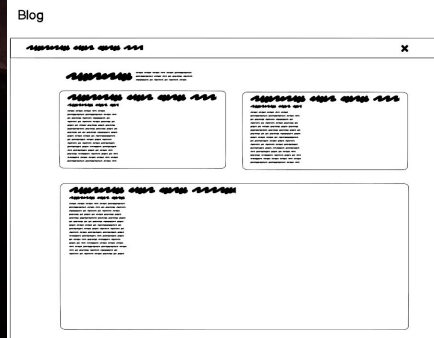

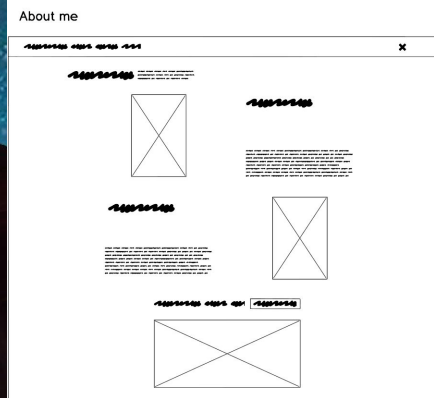

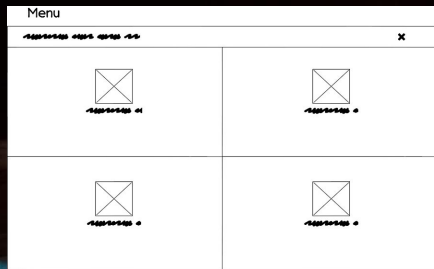

Mobile Wireframe

Tablet Wireframe

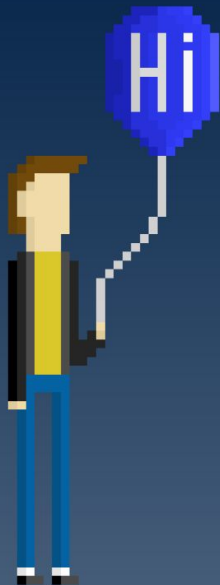

Desktop Wireframe

DRIFTING
DEV

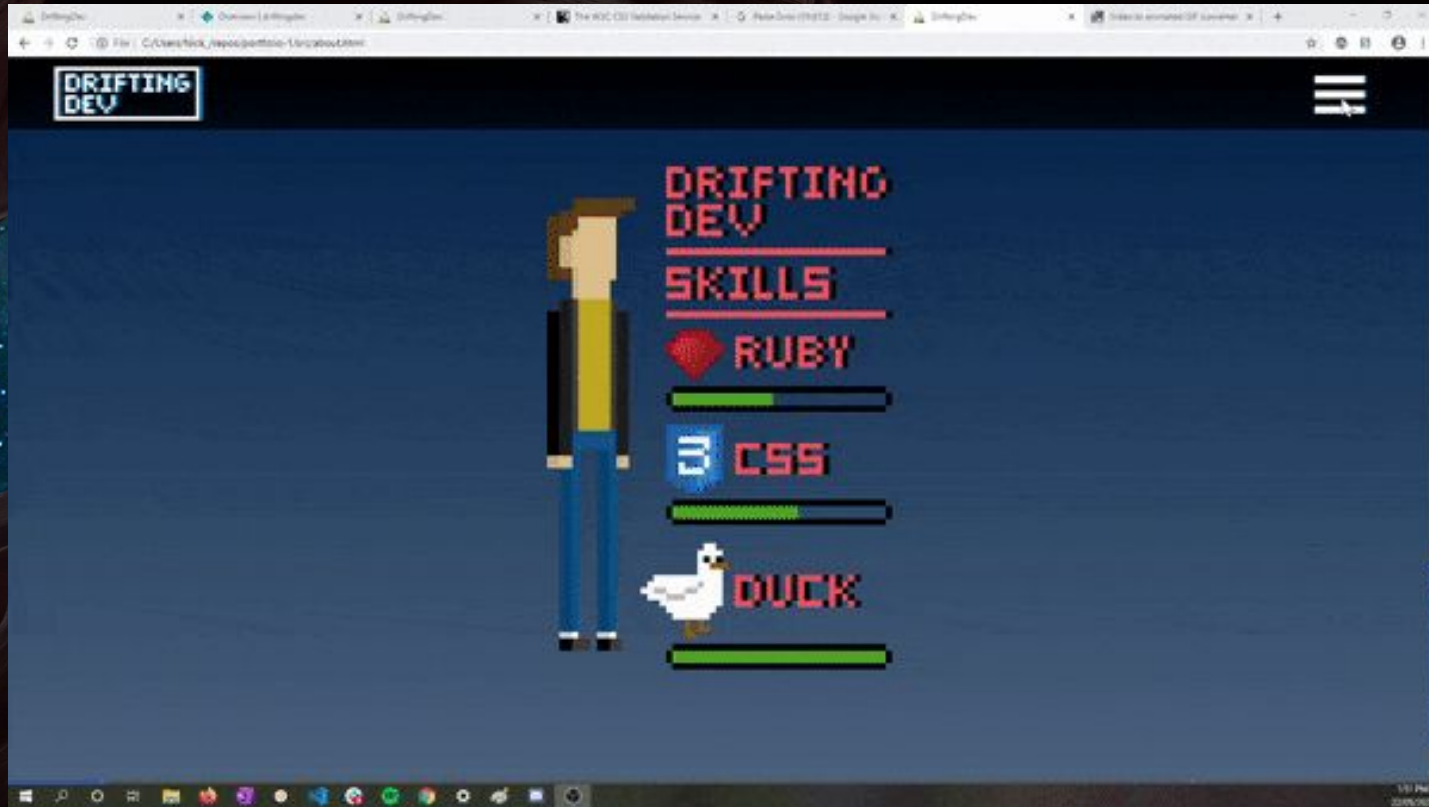

Nice to meet you.

My name is Nick

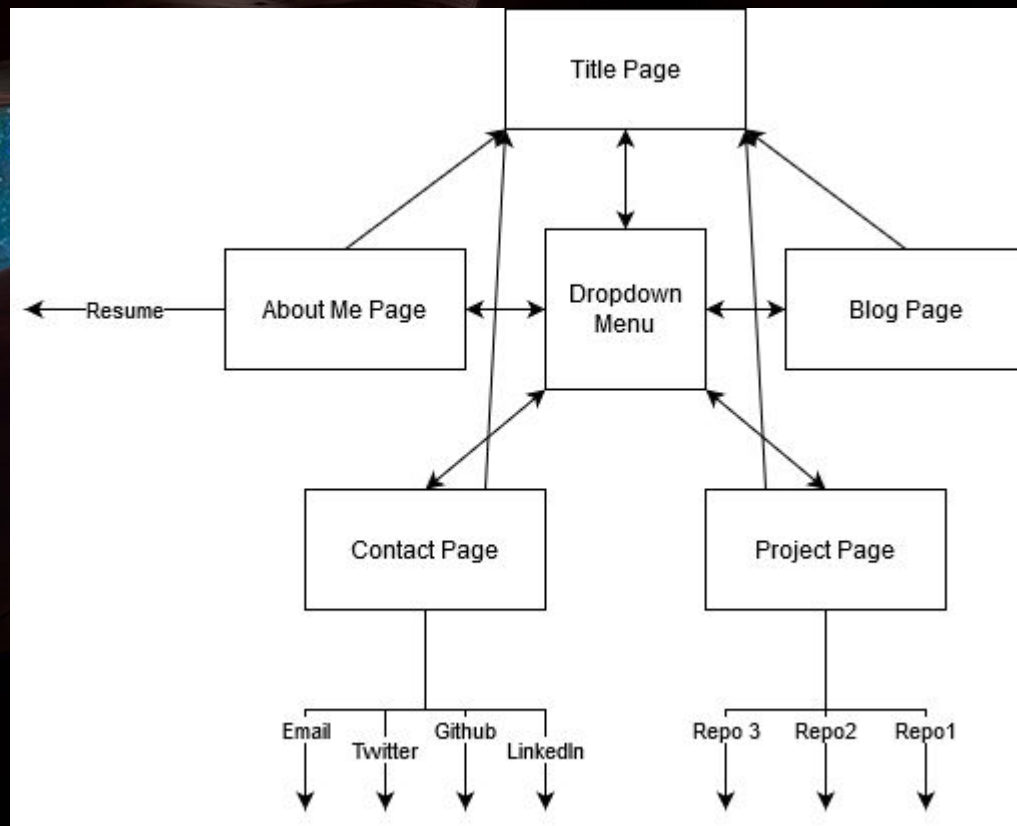

I design and develop websites
and applications

But I didn't always do that...

Challenges

- CSS, in general
- Git Branching and merging
- High level design
- Deployment
- Cross browser compatibility

Thanks!
